THE ROAD AHEAD

My Lord God,

I have no idea where I am going.

I do not see the road ahead of me.

I cannot know for certain where it will end.

Nor do I really know myself.

The fact that I think

I am following your will does not mean that I am actually doing so.

But I believe that the desire to please you does in fact please you.

And I hope I have that desire in all that I am doing. I hope that I will never do anything apart from that desire.

I know that if I do this, You will lead me by the right road, though I may know nothing about it. Therefore, will I trust you always though I may seem to be lost and in the shadow of death.

I will not fear, for you are ever with me.
You will never leave me to face my perils alone.
